

SUPER BRAVO® PRO

MARLEY FLOORING

COLORS: BLACK | GREY

Super Bravo® Pro is the heavy-duty reversible, portable Marley flooring, perfect for stage, studio and touring. A fiberglass lining improves stability and offers better lie-flat.

Superior work surface for jazz, modern, ballet and all movement activities including moderate tap. This flexible multi-layer floor is ideally suited for studio, touring and stage. Resists wear and tear.

"With 12 studios, multiple styles of dance and a high frequency of use, we needed flooring that was flexible, hard-wearing and easy to maintain... After an extensive search, much thought, and a great deal of input from our students and professionals in the dance community, we selected StageStep... They know dance..."
